SUNDAY REFLECTION

Then he opened their minds to understand the Scriptures. (Luke 24:45)

If you read through the resurrection account in Luke's Gospel, you might be surprised at how often the

risen Jesus explains the Scriptures to his disciples. All the disciples – from two on the road to Emmaus to the ones gathered in the upper room – seemed to be “slow of heart to believe” (Luke 24:25). But the disciples' lack of understanding was not a problem for Jesus. He was happy to help them understand the Scriptures. And when he did, it was as if a light had turned on for them. Recent confusing events began to make sense. They had joy and hope; they knew they could trust God.

Jesus wants to do that for you too. He knows the question you have and the ways your hope and joy need a lift. And he is ready to do something about it. So the best thing you can do is spend time reading the Bible. Hearing the readings at Mass or reading the magazine is a great start. The more time you spend with the Scriptures, the more Jesus can bring them to life for you.

For instance, when you read “The Lord is my shepherd, there is

nothing I lack” (Psalm 23:1), Jesus might help you see that, as your Good Shepherd, he will take care of the worrisome details of your life. Or when you read :I go and prepare a place for you” (John 14:3), Jesus might lift some of your sadness and give you hope for a departed loved one. You might even start to find joy as you look forward to heaven!

Every time you open your Bible, Jesus is ready to help you know him better. As he opened the minds of his disciples after his resurrection, he can speak to you through his word. Let him “turn the light on” for you. Let him lift your hope and give you joy. *“Lord, I want to know you better. Help me understand the Scriptures more.” Excerpt from the Word Among Us.*

DAILY MEDITATIONS – HENRI NOUWEN SOCIETY

Trusting in the unconditional love of God: that is the way to which Jesus calls us. The more firmly you grasp this, the more readily will you be able to perceive why there is so much suspicion, jealousy, bitterness, vindictiveness, hatred, violence, and discord in our world. Jesus himself interprets this by comparing God’s love to the light. He says:

Though the light has come into the world people have preferred darkness to light because their deeds were evil. And indeed, everybody who does wrong hates the light and avoids it, to prevent his actions from being shown up; but whoever does the truth comes out into the light, so that what he is doing may plainly appear as done in God.

Jesus sees the evil in this world as a lack of trust in God’s love. He makes us see that we persistently fall back on ourselves, rely more on ourselves than on God, and are inclined more to love of self than love of God. So we remain in darkness. If we walk in the light, then we are enabled to acknowledge that everything good, beautiful, and true comes from God and is offered to us in love.

PARENTING TIP OF THE MONTH

The amount of time spent together as a family during COVID might be considered by some to be too much, but it may also be filling a real need. Past research has shown that children consistently identify a desire to spend more time with their parents and family. Time for them means direct, active engagement. The long-term benefits to family relationships are proven: children grow up healthier in mind, body and spirit. Enjoying quality time with their family’s means children are more likely to turn to their

family for love and support, keeping them healthy. So play with your kids, watch a movie together and discuss its message(s), pray together, be active together, cook together and/or clean together; the possibilities are endless. So remember, time with family is powerful when it is interactive, shared by all and fun!

MARRIAGE TIP OF THE MONTH

At the heart of every relationship there needs to be a foundation of love and respect. When couples respect each other, including their differences, they continually build each other up and enjoy time together. When we respect the other in relationship, we can accept their desire to influence us with their understanding of what is true, good and beautiful. When we are open to our spouse’s view of things, we not only grow, but we grow together. When we grow together, we cannot help but grow in love.

PRAYER TO ST JOSEPH

The following Prayer was prayed by Pope Francis on the Solemnity of Saint Joseph

Prayer to St Joseph

Protect, O Holy Guardian, this our nation.

Enlighten those responsible for the common good, so that they might know — like you do — how to care for those entrusted to their responsibility.

Grant intelligence of knowledge to those seeking adequate means for the health and physical well-being of their brothers and sisters.

Sustain those who are spending themselves for those in need, even at the cost of their own safety: volunteers, nurses, doctors who are on the front lines in curing the sick.

Bless, O St Joseph, the Church: beginning with her ministers, make her the sign and instrument of your light and your goodness.

Accompany, O St Joseph, our families: with your prayerful silence, create harmony between parents and their children, in a special way with the youngest.

Preserve the elderly from loneliness: grant that no one might be left in desperation from abandonment and discouragement.

Comfort those who are the most frail, encourage those who falter, intercede for the poor.

With the Virgin Mother, beg the Lord to liberate the world from every form of pandemic.
