

The month of March is dedicated to St. Joseph. We don't know much about him except what is mentioned in the Gospels. Joseph was the husband of the Blessed Virgin Mary and the foster-father of Jesus. Holy Scripture proclaims him as a "just man," and the Church has turned to Joseph for his patronage and protection. Also, the entire month of March falls during the liturgical season of **Lent** which is represented by the liturgical color violet or purple — a symbol of penance, mortification and the sorrow of a contrite heart. All saint days that are usually Memorials are shifted to Optional Memorials during the season of Lent.

The Holy Father's Intentions for the Month of February 2023

For Parishes: We pray that parishes, placing communion at the centre, may increasingly become communities of faith, fraternity and welcome towards those most in need.
