

This year the first half of the month of February falls during the liturgical season known as *Tempus per Annum* or **Ordinary Time** (formerly *Time After Epiphany*), which is represented by the liturgical color green. Green is a symbol of hope, as it is the color of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection. The remaining days of February are the beginning of **Lent**. The liturgical color changes to violet or purple — a symbol of penance, mortification and the sorrow of a contrite heart. The month of February is dedicated to the **Holy Family**
