PARENTING TIP OF THE MONTH

When we look at the research in child development and psychology, the message is actually much simpler. Young children do not need perfect parents. They do not need constant stimulation, expensive toys, or carefully curated routines. What matters most is the relationship they have with the adults who care for them.” (Psychology Canada) (From: Teresa Hartnett, Family Ministry Office; 905-528-7988 ext. 2250).

MARRIAGE TIP OF THE MONTH

Once our hearts welcome the love of Christ in complete trust, and enable its fire to spread in our lives, we become capable of loving others as Christ did, in humility and closeness to all.” (Dilexit Nos #203) In June we celebrated the Sacred Heart of Jesus, who taught us that we are loved, loved enough for him to accept the Cross for us. This understanding can help to transform us to love in the same meek and intimate ways he did. Our marriage bond will continue to grow as we learn to love more like the Sacred Heart of Jesus. (From: Teresa Hartnett, Family Ministry Office; 905-528-7988 ext. 2250).

YOUNG ADULTS’ NIGHT

WORLD DAY OF MIGRANTS AND REFUGEES

The **112th World Day of Migrants and Refugees** will be observed this year on Sunday September 27, under the theme, “*Even just one of these children.*” This is taken from the Lord’s promise that “*Whoever welcomes one such child in my name welcomes me*” (Matthew 18:5). The theme draws attention to the Church’s special concern for children affected by migration. We are called to welcome every child with the love and dignity of Christ, recognizing their immeasurable value and need for care, protection, and hope. On this occasion, we pray in solidarity with migrants, refugees, and displaced people throughout the world.
