

The entire month of March except the very last day falls during the liturgical season of **Lent** which is represented by the liturgical color violet or purple — a symbol of penance, mortification and the sorrow of a contrite heart. All saint days that are usually Memorials are shifted to Optional Memorials during the season of Lent. The last day of the month is the beginning of the **Easter** season.

The Holy Father's Intentions for the Month of March 2024

For the new martyrs: We pray that those who risk their lives for the Gospel in various parts of the world inflame the Church with their courage and missionary enthusiasm.
