

The entire month of March is the liturgical season of **Lent** which is represented by the liturgical color violet or purple — a symbol of penance, mortification and the sorrow of a contrite heart. All saint days that are usually Memorials are shifted to Optional Memorials during the season of Lent. The month of March is dedicated to St. Joseph.

**For disarmament and peace:**

Let us pray that nations move toward effective disarmament, particularly nuclear disarmament, and that world leaders choose the path of dialogue and diplomacy instead of violence.
